

The 50th Edition

Severn Bridge Road Race

Presented by **Bristol Road Club**

One of Great Britain's premier early season road races

Sunday 8th May 2022

Race HQ – Marlwood School, Vattingstone Lane, Alveston BS35 3LA

E123 National B Race Start 13.00 – Finish est. 16:00 – 120Km (10.8 laps)

Start at HQ, Finish at Village Green, The Crescent, Old Down

The Race

The race dates from the 1960's when it was organised by the late Jack Turner (an eccentric cycling genius). Crossing the first Severn Bridge it did a large circuit of Monmouthshire (South Wales), finishing in Henbury (England). Nobody objected that 90% of the race was held abroad, thus contravening the BCF rule that required the race to stay in its own division. Then it switched to a circuit through the "beautiful rolling countryside" of Avonmouth docks with the oil refineries and choking fumes of the sulphur works, where if a rider fell into one of the roadside ditches he immediately dissolved. This year we return again to our original Olveston circuit which was our previous home for more than 25 years

Riders are reminded that they have an obligation to look after their own safety and obey the Highway Code. The presence of NEG Marshals does not imply that the road is closed and riders should be aware of oncoming and passing traffic and stay to the left lane of the carriageway unless otherwise instructed. NEG Marshals will make use of whistles, horns and flags to warn of danger or their presence. Riders should be particularly observant at these times. Riders should allow passage of NEG Motorcycles wherever possible and obey instructions and directions of both Static and Motorcycle Marshals.

IMPORTANT NOTES: Competitors, Officials and Marshals MUST READ
